How can I earn rewards for saving?

You'll earn \$10 for each month that you save at least \$20 in your linked account – up to \$60 over six months! Claim your rewards after six months by completing an exit survey.

How do I make a deposit?

You'll make your monthly deposits at your bank or, for more success, set up part of your paycheck to be direct deposited into your savings account! Once you've made a deposit, it should appear in SaverLife within 3-6 days.

What if I need to make a withdrawal?

That's okay! We know stuff comes up. Just be sure to put back whatever you took out of your account, plus \$20, by the end of the program month.

SaverLife uses bank-level security and encryption. We do not store your credentials and we have read-only access to your account.
