

Saving for Assets

If you're ready to systematically save at least \$20 every month, then you might be ready for this program. Contact your local United Way family service provider to talk about this program that matches every dollar you save, up to \$2,000.

- You always keep control of your savings, but you only get the match money as you accomplish \$2,000 in savings.
- The match money can only be paid out for the purchase of education that will increase your family income; for a home to reduce rent costs; for reliable work transportation or to expand or start a microbusiness

Call 2-1-1 today and ask for a United Way family service provider near you! Your local United Way contact will explain the program and arrange an interview with you to consider nominating you for Saving for Assets.
